**Summer 2012
Nurse Intern
Program**

June 4-July 27, 2012

Apply by
January 17, 2012
for consideration

Program Description:

This is a 2 credit nursing course with a classroom and clinical component. The intern will participate in classroom/special experience one day per week and work as a student nurse intern at St. Mary's Hospital or Decatur Memorial Hospital for 32-40 hours per week for 8 weeks.

The intern will be able to choose two units on which to work for a four-week rotation.

Benefits:

- College credit (2 credits).
- Tuition paid by hiring facility
- Paid position.
- Gain valuable experience in assessment, critical thinking, and organizational skills.
- Become immersed in the "real life" role of the Registered Nurse.
- Develop a relationship with experienced nurses who can act as mentors.
- May lead to employment upon graduation.
- Development of a professional network.

Eligibility:

- Successful completion of at least two semesters of an ADN nursing program or completion of the junior year of a BSN nursing program by May, 2012. Must be in good standing.
- Overall GPA of 2.50 (4.0 scale).

Requirements:

- Completion of internship application, personal essay, and 2 references.
- CPR certification through August 1, 2012.
- Transcript from current nursing program.
- Copy of current list of skills the student has been taught and practiced.
- Registration at Millikin University upon acceptance.

To Apply:

- Internship is open to Millikin and non-Millikin students.
- Online at www.millikin.edu/academics/cps/nursing/Pages/InternOpportunities.aspx
- Contact Charlotte Bivens, RN at cbivens@millikin.edu or 217-424-6348 for questions.
